*Christ has Risen!*

***"DON'T WORRY...BE HAPPY!"***

Bob Marley first sang "Everything's Gonna Be Alright" in 1977; ten years later, in 1988, Bobby McFerrin released his hit song "Don't Worry Be Happy." They are catchy little tunes with lyrics to match. That, of course, is not a wholesale endorsement for these songs or the artist...I simply want to borrow the titles.

Current worldwide events, as well as recent events in our country, would make one think...there is plenty to worry about and less to be happy for. Yet, I would have to say, my parents would have thought the same thing growing up in the Great Depression and navigating through the worldwide conflagration of WW11.

2000 years ago, Jesus described many things that would underscore the world environment in the "last days." Of the many horrendous things to come upon the face of the earth at the end of time, two stand out for me:

*"Then many false prophets will rise up and deceive many. And because lawlessness will abound, the love of many will grow cold" (Matthew 24:11-12).*

*"Men's hearts failing them from fear and the expectation of those things which are coming on the earth, for the powers of the heavens will be shaken" (Luke 21:26).*

I am not suggesting that the end of all things are coming this August 21st when there will be a total eclipse of the sun through the middle of the United States, which ought to be a totally awesome event, not seen since June of 1918, for you history buffs.

Regardless when the last of the "last days" actually takes place, Jesus said: "Hearts will fail from fear" and "Love will grow cold because of lawlessness." Listen children of God: if the Church is on the planet when the end comes, "Hearts failing for fear...and love growing cold because of lawlessness" does not need to include the Church. In fact, the Church, defined as passionate

followers of Jesus Christ, will be the safest, most confident, loving people on the planet to be around. Exactly the kind of people, fear-filled and discouraged cold-hearted folk will want to be around...both now and then!

Finally, let these words from the very first sermon from the mouth of Jesus inspire your days "...don't worry..." (Matthew 6:25) NCV and "...be happy" (Matthew 6:11) NCV.

Blessed are you!  
Pastor Mike
